

SALSABOR PERFORMANCE AGREEMENT

- In order to perform, you have to attend at least 6 classes. If you miss a class, it is your responsibility to organise to catch up, as the class needs to run to schedule.
- There may be extra rehearsals leading up to event performances. This information will be posted on the Burlesque Facebook page.
- If the performance team continues to rehearse after the ten week course; a rehearsal fee will be payable. The total fee is \$65 per rehearsal (based per hour), to be split between the amount of students continuing to rehearse, regardless if you can make it or not in fairness to the team. This fee will cover the instructors instruction/time & studio hire.
- Costumes will cost a maximum of \$60. The team leaders will make the final decision on the costume.
- Ladies will be required to wear fishnet and/or sheer stockings, with heels (colour to be advised by your team leader) for the performance (any changes to footwear for performances will be announced during class by the team leader).
- If you do not agree with the costume selected, you can still do the course, however will be unable to perform.
- Opportunities to perform include - the Salsabor End of Term Party and at other local (possibly interstate) Events/Parties/Latin Nights.
